

Going an extra Mile.

We believe our success in previous projects is a suitable reward for establishing a new benchmark for excellence in quality and customer service, but we also believe that we need to continue to innovate in order to meet our own high standards. This is following the success of our Palm Springs and Lavington Projects, we straight away began working on a new better product, committing ourselves to continue providing excellence and unrivalled quality setting a class building development in Kikuyu.

Conducive Environment.

We are convinced that providing you with a beautiful designed home environment, where your living space is flexible enough to adapt to your current and future lifestyle is essential. We also believe the environment within which your new home is set should not only be aesthetically pleasing but also practical, offering you the privacy and security you need to enjoy within Shakiwa Gardens.

Record of Excellence.

Our reputation for innovation in planning is unmatched. We work hard to seek the very best solutions in order to offer new homes that not only meet the most stringent regulations, but also bring something exciting to the real estate market through embracing fresh initiative and championing the latest ideas.

Ambient Location.

Shakiwa Estate is conveniently situated within the much sought after residential area of Kikuyu. Built within the township, along Nairobi-Naivasha highway, it enjoys proximity to social amenities; shopping malls, petrol stations, schools, banks etc.

Surrounded by lush green and indigenous trees, Shakiwa Gardens provides quality apartments built with style yet affordable.
